1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex or gender, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all students to style their hair in a way that is appropriate for school yet makes them feel most comfortable
- Allow students to wear headscarves and other religious symbols
- Allow for adaptations to our policy on the grounds of equality by asking students or their parents to get in touch with the school by emailing admin@clere.school

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Limiting school branded items by only asking that the blazer, tie and some PE items features the school logo
- Making available school logos that can be stitched on to school blazers.
- Keeping the number of items with distinctive characteristics to a minimum, so that the school's uniform can act as a social leveler
- Having general guidelines for coats and bags so students could wear/use these on non-school days
- Avoiding different uniform requirements for different years or class
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items

- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Allowing current uniform items to be worn as normal.
- Consider views of parents and students including any complaints about the policy.
