

Why choose The Clere School for your child's secondary school?

High achievement and progress across all subjects, with many students achieving grade 9 in English, Maths, and Separate Sciences, and students achieving 9 GCSE subjects. In 2021, over 70% of students gained 4+ in English and Maths, and 65% of students gained 5+ in English and Maths.

Positive behaviour across the school in lessons and at social time, including placing value on learning time, and a culture of peer support.

"Students are keen to engage with their lessons and expect to work hard to achieve their best, which means that I can support those who need a little extra help." Teacher of History

Research-led teaching with specialist teachers across the school, meaning your children get access to the latest and most effective teaching techniques.

Our teaching and learning approach has quality first teaching at its core, to support all students in working towards ambitious outcomes.

Specialists in mental health available on the school site alongside our supportive pastoral care team.

Engaging extra-curricular provision

including a wide range sporting fixtures, peripatetic music lessons, and a variety of engaging after-school clubs.

More details can be found on our website: www.clere.school

Convenient transport links, with a range of both in-catchment and out-of-catchment school bus services from local areas.

More details on transport are available from our school office:
